

# The Klein Charity Golf Invitational

The Klein Investment Management team is pleased to invite you to their 2019 charity golf invitational.

The tournament will be a fun-filled afternoon on the golf course, paired with an evening prime rib dinner and entertainment.

After raising \$15,000 for the Earth Group last year, Kevin and Joe are very excited to be bringing a second charitable organization into the mix. Along with Earth Group, the team will also be working to raise money for KidSport Edmonton. They felt that their efforts could be expanded to not only helping kids in poverty all over the world, but to maintain a focus on those right here at home as well. With the help of the Earth Group and KidSport teams, Joe and Kevin are hoping to raise as much money for these two great causes as they can. They really hope you can join them as they make this year the biggest year yet!
