

2018 KIDSPORT™ COMMUNITY EQUIPMENT GRANT

SPONSORED BY CHAMPIONS FOR CHILDREN

So **ALL** Kids Can Play!

We believe that no child should be left on the sidelines and all should be given the opportunity to experience the positive benefits of organized sport. KidSport™ works to fulfill its mission of removing the financial barriers to sport participation, 'So **ALL** Kids Can Play!' For more information, please visit www.kidsport.ca.

The KidSport Community Equipment Grant (CEG) provides grants ranging from \$500 to \$2,000. The CEG supports community organizations in their efforts to increase participation in sport. The fund will support projects that are intended to increase sustainable, quality participation-based sport programs by helping to offset the cost of sport equipment. This may include new programs or the expansion of existing programs.

Through this project, KidSport NWT hopes to encourage communities/schools to strengthen their physical education curriculum with the purchase of equipment that supports their programming needs. We want to have a positive, long-term influence on young people's participation in sport and recreation throughout the north.
